

**FELIX DIAZ TO BE
DEPORTED TO-MORROW****Leaves Mexico Unwillingly
Despite Offer of \$10,000.**

VERA CRUZ, Oct. 9.—Felix Diaz, nephew of former President Porfirio Diaz and leader of a group of potential revolutionists in the State of Vera Cruz, who has been under virtual arrest here since his arrival on Wednesday, will be placed on board the French steamer "André," plying between Mexican and European ports, next Monday, it is announced. He has declined to sign passports or other papers and continues to maintain a passive resistance against deportation from Mexico.

Government officials have offered him a sum of money amounting to approximately \$10,000 to defray the expenses of his voyage, but he has refused to accept it. He asserts he is innocent of crimes charged against him in connection with the assassination of former President Francisco Madero and says he desires only to reclaim what he lost through the confiscation of property and an indemnity for injuries he has suffered by reason of measures taken against him by the Federal Government.

**'ANTI-MEXICAN TREATY'
BASED ON FORGERY****Document With Which Ger-
many Deceived Carranza.**

MEXICO CITY, Oct. 9.—Statements that there had been discovered in the archives of the Mexican Foreign Office the copy of a secret treaty between the United States, France and Great Britain against Mexico, which have been attributed by newspapers here to Hilaro Medina, were denied by him last night. Senor Medina, who was Under Secretary in charge of the Foreign Office during former President Carranza's administration, declared he had been informed by various diplomats during his visit to the United States and Europe early this year that such a treaty existed.

Rumors, which are so far impossible of confirmation, state that the only

document such as Senor Medina described, was a forged copy of an alleged treaty with which the German Government deceived Carranza during the war.

SOROLLA, SPANISH ARTIST, ILL.

MADRID, Oct. 9.—The artist Joaquin Sorolla y Bastida, who has been ailing all summer, has postponed his trip to New York, where he had intended going in October, with a series of works for the Hispanic Society of New York. Senor Sorolla y Bastida also decided to refrain from sending the pictures until he has been restored to health.
